### Selected Quotes From Issue 3.

Gabel ... provides profound insight into Jewish efforts to implode and re-invent the American legal system into one that is essentially Jewish ... subordinate to international law, functioning solely as a servant to international marketing.

--- Dale Robertson

Whether you wish to admit it or not, when you approve, morally, of the bombing of foreign targets by the U.S. military, you are approving of acts morally equivalent to the bombing in Oklahoma City.

--- Timothy McVeigh

the task of the Frankfurt School, then, was first, to undermine the Judeo-Christian legacy through an "abolition of culture" and, second, to determine new cultural forms which would increase the alienation of the population, thus creating a "new barbarism."

--- Michael Minnicino

... when the anti-Semitic campaign began in Japan just before the war, most Japanese were sorely puzzled and asked: "What is a Jew?"

### Selected Quotes From Issue 2.

With Clinton's administration leaving the country in socialized shambles after almost a decade in office, the replacement matters little since both candidates have their own interests, none of which included American nationalism.

--- Editorial

Only 29 percent of German families in western Berlin have more than one child compared with 46 percent among immigrants.

--- KS

The broad political Left, which constitutes the academic establishment since at least the 1960s, views interest in evolutionary accounts of human nature, and even claiming that such a thing exists, as tantamount to fascism (Singer, 1998)

--- FS

With the far-right groupings we have, either they are groups of young in which music and booze play quite a big role . . . [or] . . . older groups . . . made up of middle-aged alcoholics. [Neither] gather support from large masses.

--- KK

## Selected Quotes From Issue 1.

The scale of interdependent support seen in the Jewish community is nothing short of phenomenal, and until we have anything equivalent to a fraction of what they have today, we can do nothing to change the current status.

--- Editorial

" . . . one thing seems quite clear: . . .the underlying issue is whether or not the Palestinians . . . declare the past to be null and void so far as the present and future are concerned.

--- ES

"It is an extraordinary secret . . . possibly the most remarkable example of concealment of identity in 20th-century British political history."

--- WR

No civilized country in the world uses snipers to put down demonstrations or even riots.

--- CR

Again and again, *The Holocaust Industry* targets the state of Israel as a prime beneficiary of the lessons of *The Holocaust*.
